21 parties' request for a continuance of the trial date and pre-trial motions cutoff date.22 Defendants King Yin Peter Fong, Wing Ho Jimmy Ho, Ying Wai Wong, and Ka Wai Andy
23 Cheung, each indicated his knowing, voluntary, and intelligent waiver of his right to a speedy

1 defendants the reasonable time necessary for effective preparation, due to counsels' need for
 2 more time to review the evidence and consider possible defenses, taking into account the
 3 exercise of due diligence.

4 THIS COURT FINDS, pursuant to Title 18, United States Code, Section 3161(h)(7),
 5 that this is a reasonable period of delay in that the defendants are joined for trial and no
 6 previous motion for continuance has been granted, and all defendants have requested more
 7 time to prepare for trial, and defendants have either filed or will file waivers of speedy trial in
 8 support of this motion.

9 THIS COURT FINDS, therefore, that pursuant to Title 18, United States Code,
 10 Section 3161(h)(8)(A), the ends of justice will best be served by a continuance, and that they
 11 outweigh the best interests of the public and the defendants in a speedy trial.

12 The parties' motion for continuance is GRANTED. Trial is reset for March 19, 2007.
 13 The Pre-trial Motion cutoff date is reset for January 29, 2007 with any responses due on
